## Chalk Talk

Compulsory Routine Workshops are right around the corner! Compulsory Workshops help the girls learn routines and have greater success during the competition season. Every gymnast should attend at least one of these workshops. Workshops are on 2/10, 2/11 & 2/18. We also have workshops on 2/19 for both levels. These workshops will include video analysis and a longer time in the gym.

## 2018 Monthly Tuition

Team and Pre Team tuition prices are based on the number of practice days in the year. Holidays, seasonal breaks and events such as Team Picture Day are removed from the tuition calculation.

2018 Monthly Tuition Prices are as follows:

Sunday	\$120.00	Multi Practice Discounts*	
Monday	\$125.00	2 Practices a Week	\$44.25
Tuesday	\$125.00	2 1/2 Practices a Week	\$71.00
Thursday	\$125.00	3 Practices a Week	\$96.50
Friday	\$122.50	4 Practices a Week	\$110.00
Saturday	\$117.25		

\*To determine the monthly cost of multi practices a week, add up the classes your daughter attends and then subtract the applicable Multi Practice Discount. Additional family members will still receive a 20% discount.

## Compulsory Practice Requirement Change

As previously communicated, all Compulsory gymnasts will be required to attend a minimum of two practices per week starting January 2, 2018. This is not a financially driven decision. Actually, it is the opposite. We make more revenue per hour from gymnasts who attend one practice per week than two. It is the gymnast's safety and success we are striving for in making this change. We also believe this change will allow our gymnasts to progress faster and further in the sport of gymnastics.

While this change is not effective until 2018, you can add a second practice right now! Call or stop by the Front Desk to ask about current availability.

## Optional Choreography

First year optionals and optional gymnasts who have had their routine for two years, be on the lookout for an email explaining the choreography procedure for floor and beam. Choreography runs from 12/19 through 3/2.

## Optional Goal Setting

An email was sent to all Optional level gymnasts regarding the 2018 goal setting sessions. If you have not yet signed up for a session, be sure to get signed up through the Parent Portal, or the Front Desk soon. Goal setting sessions cost \$10 and payment is due at the time of enrollment. Spots are limited and are going fast!

## Special Scrip Card Order 12/25

We will be placing two scrip card orders in December. We will be placing an order on December 15th in addition to our normal order towards the end of the month. Scrip orders placed on the 15th will arrive in time for Christmas! Stop by the Front Desk today if you have questions about this program.

## Optional Gift Exchange

We will be having our annual gift exchange on December 19th for our Optional level gymnasts. Girls are welcome to bring treats to share at the end of practice. Gymnasts need to bring a \$10 gift to exchange. We will be including the exchange as part of Optional practice, but all girls are invited regardless of their normal practice days!

## Tagawa Fundraiser

Tagawa's Winter 2017 Fundraiser is going on now! Order forms and payment can be turned into the Front Desk on or before Sunday, November 5th at 7:00 pm. Orders will be delivered on Tuesday, November 21st.
