4th Annual DBA Expo

Achieve Gymnastics is proud to present the 4th annual DBA Expo! Last year our first DBA Expo was a great success and an amazing event for our gymnasts, their families and our staff.

During this session, all participants in our Butterflies, Dragonflies, Junior/Girls Gymnastics and Junior/Girls Advanced classes will be continuing to learn gymnastics skills as well as sequences and routines to perform at the DBA Expo on Sunday, April 30th. The Expo will be held at Overland High School so bring your family to watch and celebrate your child's progress!

Expo participants will receive a ribbon, certificate and tee shirt. Cost for participating in the Expo is \$20/participant. We will distribute a definite time schedule when we have more accurate numbers.

Bumble Bees and Boys Sports Development classes will participate in activities the last day of their Session 2 class.

AGDT Performance

The Achieve Gymnastics Denmark Team will be hosting a Public Performance before they leave for Denmark. The performance will be held on March 5th at Overland High School. Tickets can be purchased in advance for \$5 at the Front Desk, or \$6 at the door. Additional donations to help fund the girls' trip are welcomed and appreciated!

Used Leo Sale

The 2017 Used Leo Sale is coming up! You can sell your gently used leotards in this sale, in increments of \$5. \$4 out of every \$5 goes to your fundraising account to be used towards any Achieve Gymnastics activities or pro shop items. Price tags are available at the Front Desk. Drop your leotards off no later than 4/13 if you wish to participate, and don't forget to put your name, price and leotard size on the tag! The Used Leo Sale will take place at Achieve Gymnastics from 4/21 – 4/29. Come browse our incredible selection of gently used leotards during this week.

Achieve Gymnastics is offering Summer Camp the weeks of 6/5 and 6/26, 7/10 & 7/17. Stop by the Front Desk to sign up today!

Look Out for Ice!

Please be careful in our parking lot! The lack of sunshine on the North side of the building makes it very prone to ice during these cold winter months!
